AIR CONDITIONING AND REFRICIERATION

All it takes is a cool head and a steady hand . . .

APPLIANCE SERVICE
How did this get in here?

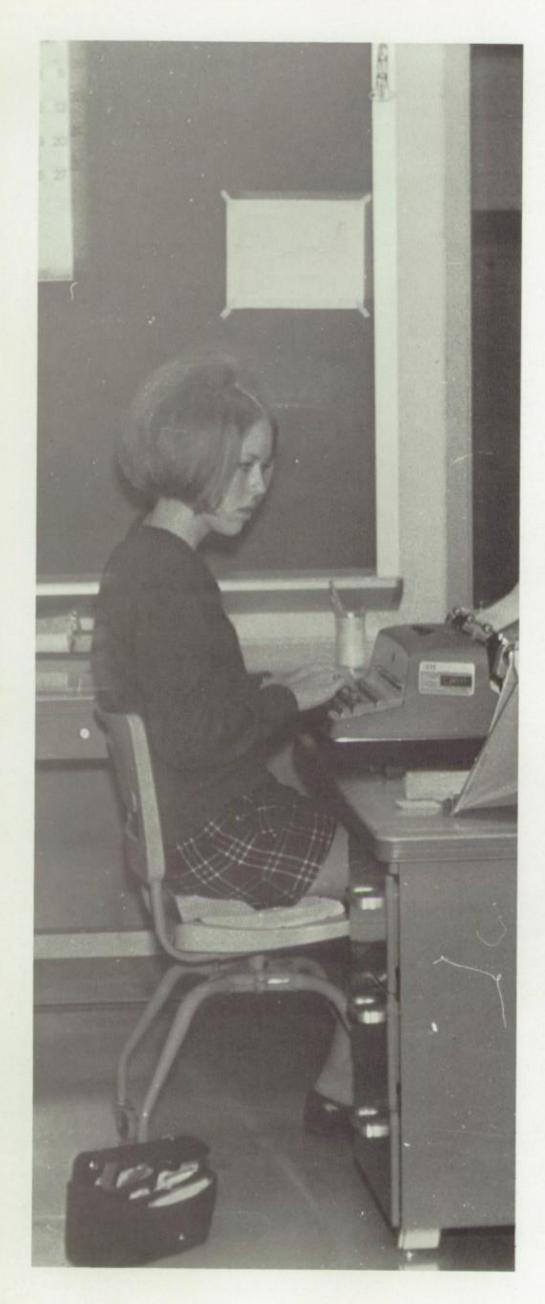

My buffer works better than yours because I use lemon oil!

Mr. Hennigs said we should put our whole selves into our job!

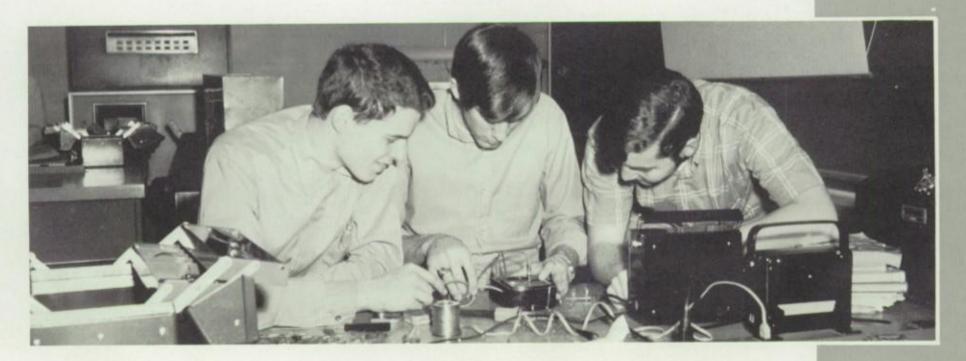

Please, Miss Talley, don't make me do it over again!

Five, four, three, two, one, ...

ELECTRONIC DATA PROCESSING

The machine never makes a mistake, only the programmer makes mistakes; the machine never makes a mistake, the machine-

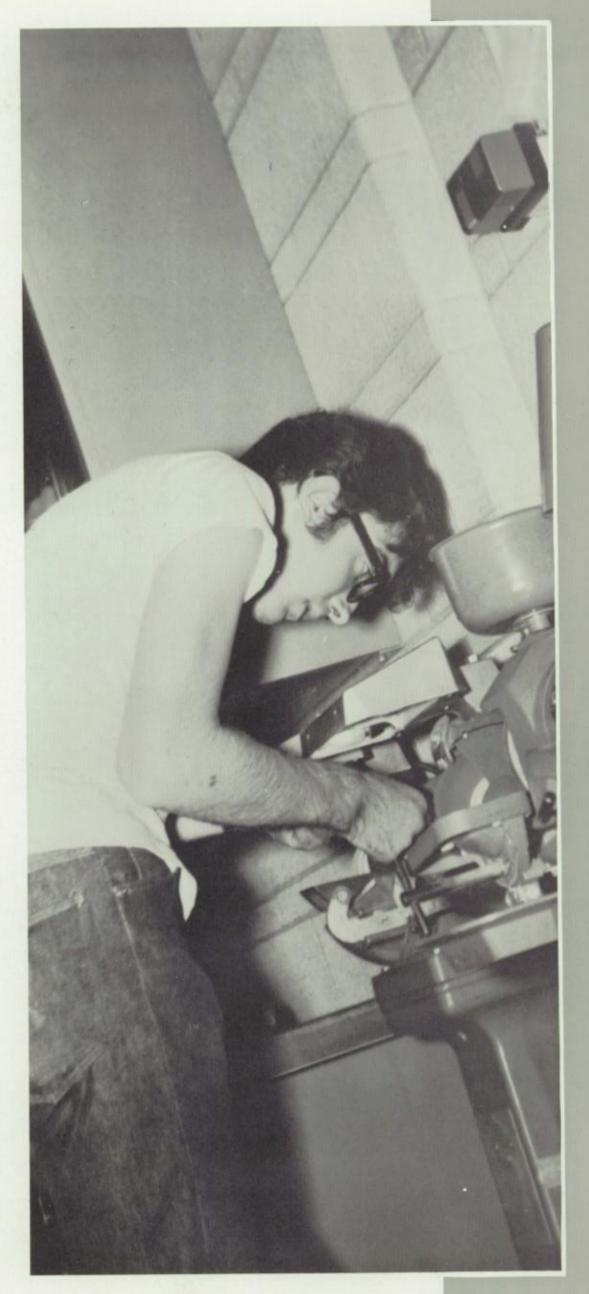

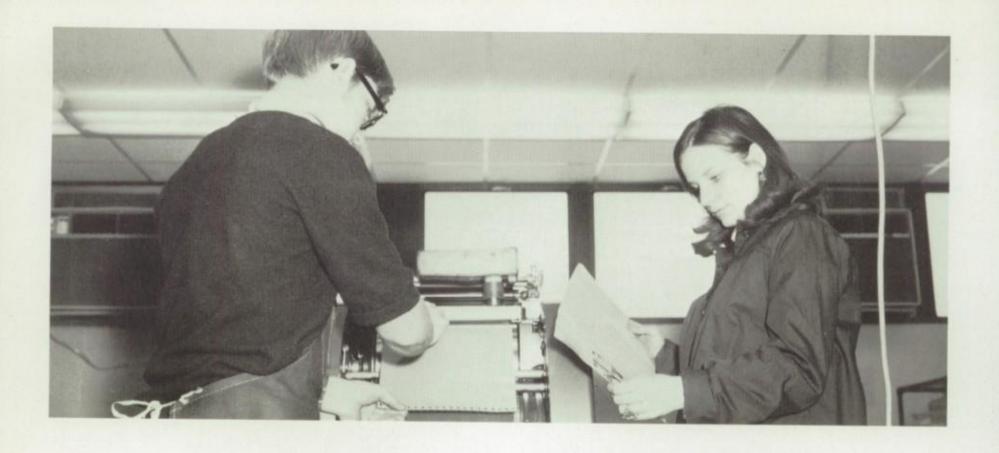

Now, if you connect dot one to dot two...

What a way to trim fingernails.

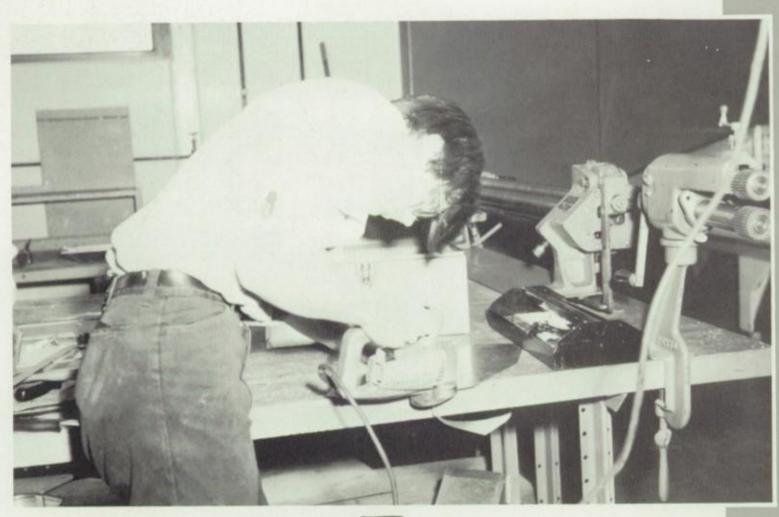

OFFSET LITHOGRAPHY

The press only prints it; it doesn't correct your spelling.

No wonder Tiny Tim sounded like his voice was changing.

With a snip, snip here and a bend, bend there . . .

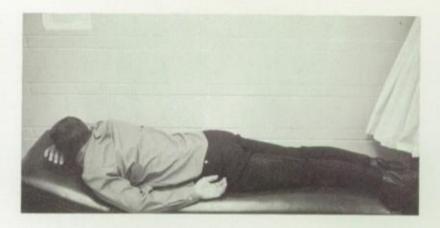

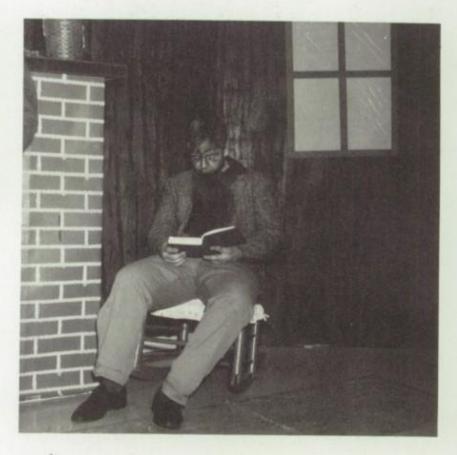

THE ODD COUPLE

TALLEY HO!

Everybody up! Milk and cookie time.

"I've heard of long assignments, but this is ridiculous!"

VR-O-O-M, VR-O-O-M!!

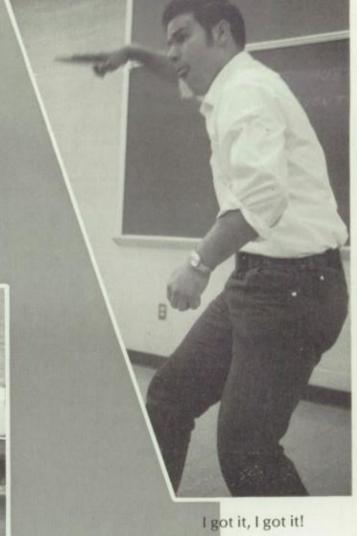

Some jerk filled the basketball with helium!

They're waiting to take us away—ha, ha.

There's always one in every crowd.

1970 PIN-UP WINNER.

"Now, I must graduate."

Daddy said, "Yes!"

Peace!

"I can fly, I can fly!"

"All together girls. . . . "

"You look worse than I feel!"

Little Boy Blue come blow your horn.
